

HELP!

Low-Cost Spay/Neuter Resources

In an average year, millions of cats and dogs are euthanized due to pet over-population. In these tough economic times, pet owners want to be responsible, but often are unable to afford the cost of spay and neuter surgeries. The following organizations provide low-cost spay and neuter options. Please note, Cat Guardians is in no way affiliated with any of the following organizations, so you will need to contact them directly for information on their programs and their fees.
